

**HARARE CITY(D9210)** *The Club has embarked on a project to refurbish the Harare Central Prison library and assist in developing the Adult School. Pictured are PP Oscar Orange, champion of the project, presenting stationery and books to Principal Prison Officer Evans Matemia, who is Headmaster of the Prison Adult School. Looking on is Officer in charge, Superintendent Kawara. The presentation was done on 27 February. The goal is to create a better adult literacy environment at the Harare Central Prison. Members of RC of Harare City are working towards giving prison inmates and staff an improved opportunity to be educated so that they will be better equipped to serve in their various societies and in so doing make our world a better and more peaceful place.*
