The donations were funded by Rotarians in the UK and augmented by a local benefactor. **Right:** PDG Chris Molam hands a packet of biscuits to the matron.

## Help for Destitute Aged

WITH the price and availability of bread in Zimbabwe now beyond the means of the poor, residents of the Society for Destitute Aged (SODA) were more than grateful when the Rotary Anns of Hunyani took along ten large packets of maize meal in February.

Along with the maize meal were several bottles of fruit juice, biscuits, sweets and soap. The matron asked for a list of the donations so she could keep strict control of the distribution—the soap would only be handed out when all residents were present, to ensure they could witness there was no ‘cheating’.
