

EarlyActers visit Freedom Park

RUSTENBURG (D9250) Selly Park Primary's EarlyActers walk to a house in Freedom Park to deliver a hamper of food—a sobering moment as conditions in an informal settlement really sink in.

Two of the members of the EarlyAct Group at Selly Park Convent Primary School are Miles Lovell and Paul Jooste. Here they carry a hamper of food into No. 1343, Freedom Park.

BEFORE the close of the 2006 school year, the EarlyAct Group from Selly Park Convent Primary School paid a visit to Freedom Park. Under the guidance of Selly Park Educator and long time Rotarian, Francois Pienaar, EarlyAct forms part of the school's Outreach Programme and is open to all Grade 5 to Grade 7 learners. It aims at reaching out to the less fortunate in our community.

The group met children from Freedom Park's Boipelo Crèche where they handed over toys and much needed classroom equipment. They then walked to the house of one mother to present her with a hamper of food. Learners from Selly Park Primary had been asked to donate foodstuff and thanks to their open-hearted generosity, the EarlyActers filled the back of a bakkie with various items that would later be distributed amongst those families in need.

Members of the EarlyAct Group in action: Standing, Andrew, Jason, Kagiso, Chane, Steven, Ipeleng, Bryan, Miles, Tumelo, Paul, Samantha, Obakeng, Kele and Afika. In front are Itumeleng, Deliwe, Mosa and Boipelo.
